A SECTION HEADING

My scope's negative. I don't see anything. Keep up your visual scanning. With all this jamming, they'll be on top of you before your scope can pick them up. Biggs! You've picked one up...watch it! I can't see it! Where is he?! He's on me tight, I can't shake him...I can't shake him. Hang on, Biggs, I'm coming in. Got him!

He says he's the property of Obi-Wan Kenobi, a resident of these parts. And it's a private message for him. Quite frankly, sir I don't know what he's talking about. Our last master was Captain Antilles, but with what we've been through, this little R2 unit has become a bit eccentric. Obi-Wan Kenobi? I wonder if he means old Ben Kenobi? I beg your pardon, sir, but do you know what he's talking about? Well, I don't know anyone named Obi-Wan, but old Ben lives out beyond the dune sea. He's kind of a strange old hermit. I wonder who she is. It sounds like she's in trouble. I'd better play back the whole thing.

Make ready to land our troops beyond the energy shield and deploy the fleet so that nothing gets off that system. You are in command now, Admiral Piett.
